

NORTHERN VETS 31st Jan, 2010 46Km Road Race - Whitmore

The Wills Financial Group Northern Vets raced a 2 lap circuit at Whitmore in very hot and humid conditions. The heat saw a number of riders considering pulling out after a lap but all hung in there.

The A grade race saw plenty of attacking and counter attacking, and in what was almost a case of last man standing, Darren Cook continued his good form to take out the finish from Glenn Myler. B grade saw a change of tactics from Collin Burns, and despite an attack from Andrew Flanagan on the last lap, it was Burnsy who rolled over the line in front of Julian Clayton.

In C grade Peter Lanham won in a tight sprint from Neil Wesley, both riders showed that they are riding very strongly and may soon get a look at B grade. While in D grade, it was Gavin Tamblyn who took out the sprint from Garry Pickett in a race that also saw a number of attacks. Ray Brien returned to the winners list with a win in E grade, just holding off Michael Sulzberger, in a race which saw all riders ride very evenly over the course. While in F grade it was great to have Eddy Summers back and racing, Eddy rode well to take out the race from Christine Neil.

Next weeks race is at Longford.
